In the Drawings

A hand-amended sheet page comprising figures 8 and 9 in which the reference numeral 40 has been added is submitted for the Examiner's approval. No new matter has been added.

A further drawing sheet with original figure 1, on which the reference numeral 32 (grill-like panel) was circled, is also submitted to indicate the exact place in the figure where the numeral was indicated.

Such drawing was included for illustrative purpose only and to support the applicant's previous statement regarding indication of such numeral in the original documents.
